TOGETHERNESS 1979
JACKET BUZZ
VOLUME NO. 31

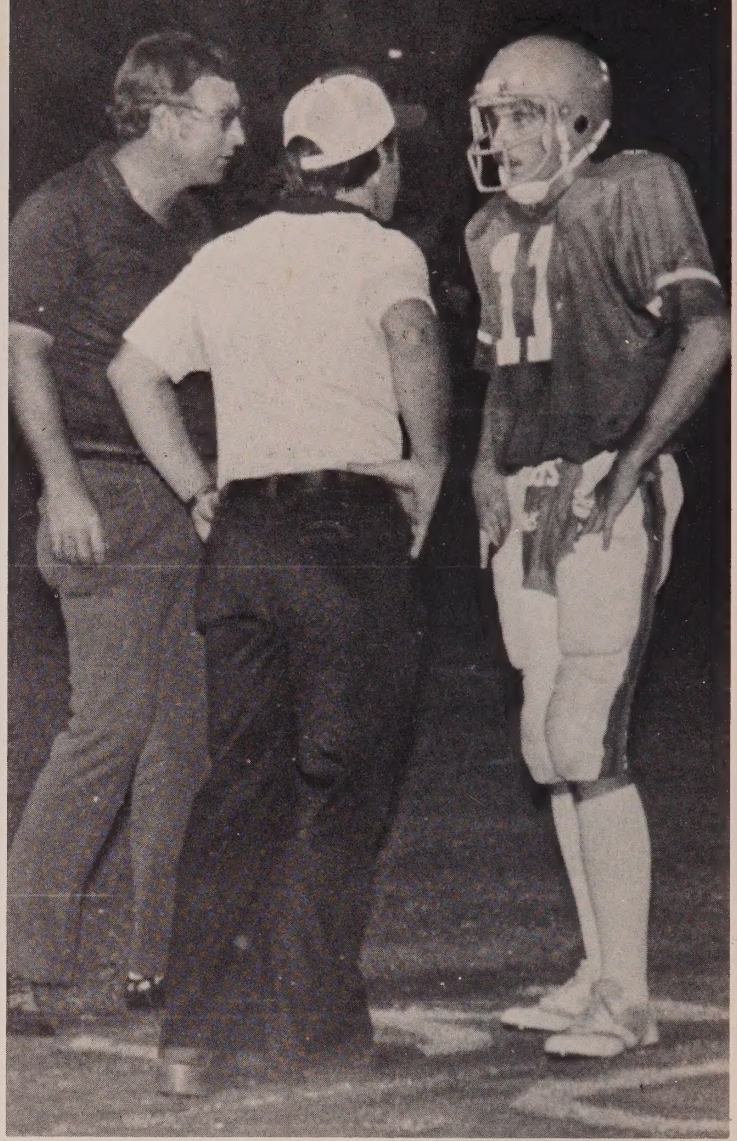
VERNON HIGH SCHOOL
VERNON, FLORIDA

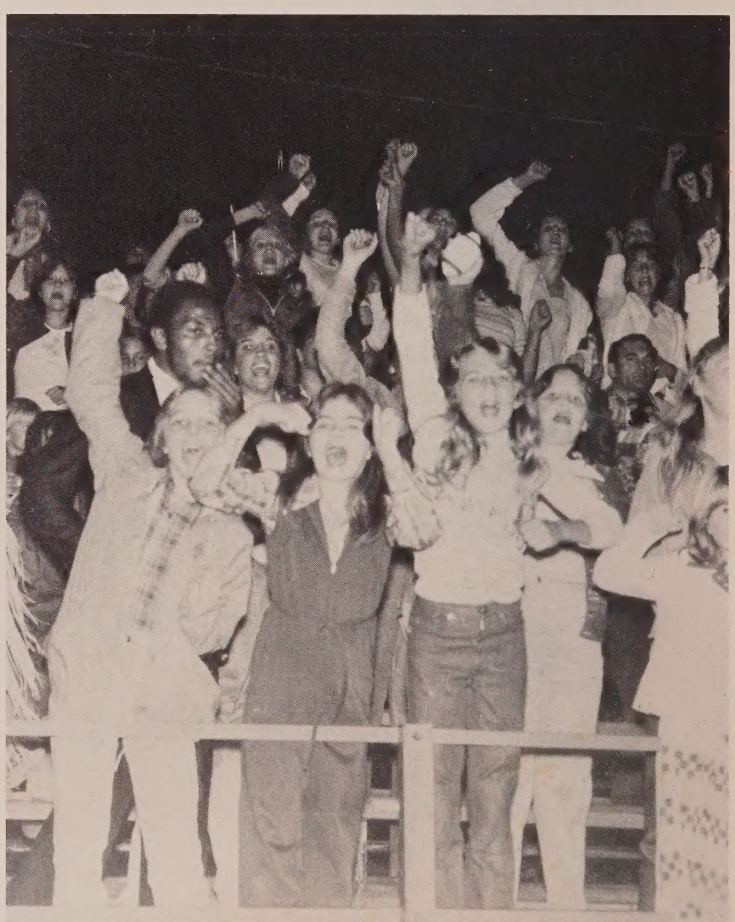
TOGETHERNESS . . .

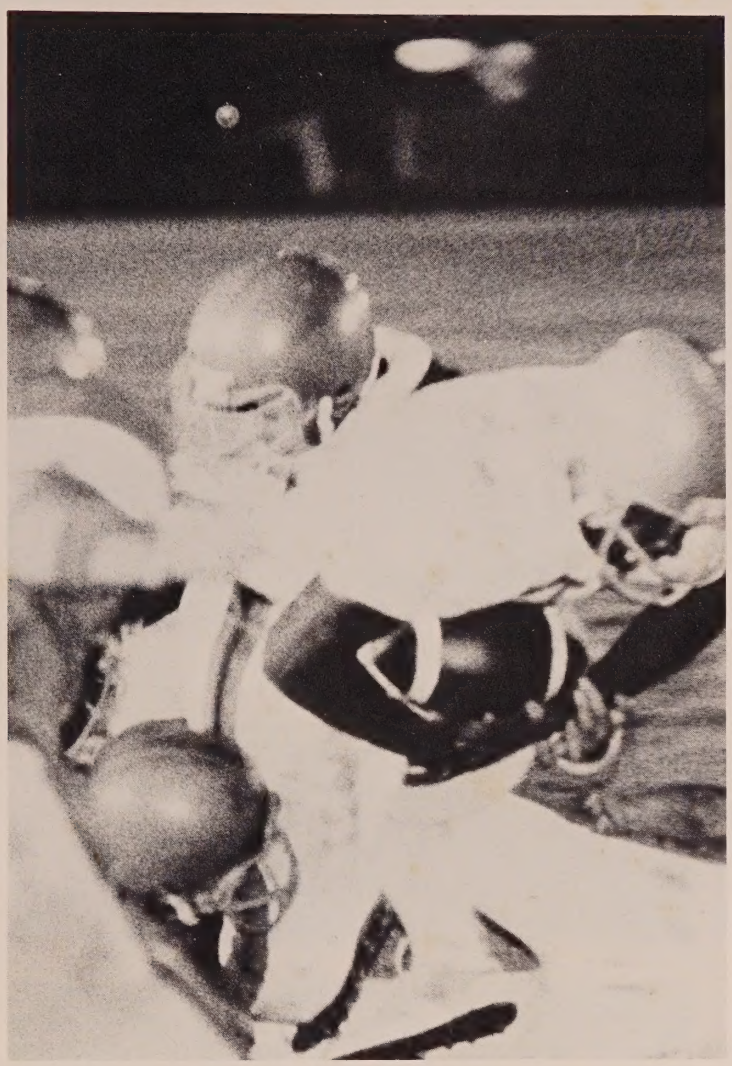
TOGETHERNESS is a spirit or a feeling that binds. This golden year celebrated the spirit that made precious memories for those who contributed to "make" our school.

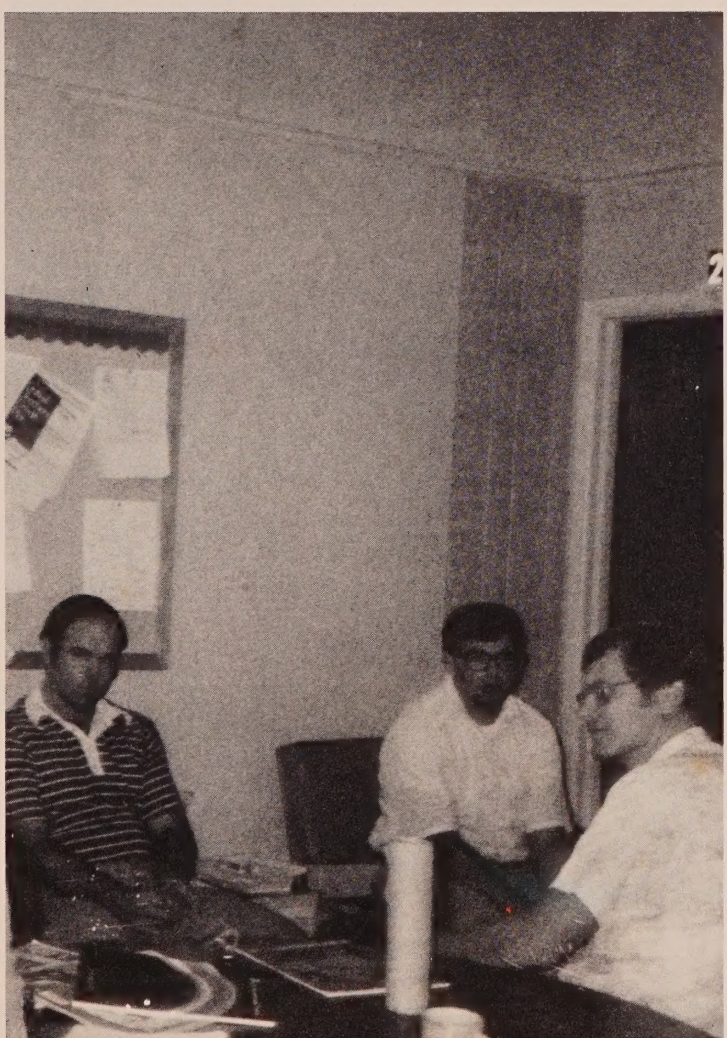
As the seniors journeyed on to worlds and experiences unknown to us, we remember them as our big sisters and brothers. And as we remember them, they look back with fond memories on the friends they left behind.

The spirit of teamwork was prominent in our fiftieth year. The football players, cheerleaders, teachers, and organizations shared experiences that made many people joined in one spirit . . . TOGETHERNESS.









Swiftly the year has come,
Swiftly it has gone,
All that counts when Life's Sands are run
Is the togetherness shared, and the good we have done.

OUR GOLDEN CLASS

THE WAY THEY WERE

The Class of '29 from left to right: Mary Jenkins, Ethel McClellon, and Ola Dunn.

The first reunion in fifty years took place at our Homecoming, November 10. At the request of the yearbook staff, the three surviving members of the Class of 1929, Mrs. Ola Hood Dunn, Mrs. Mary Yates Jenkins, and Mrs. Ethel Smith McClellon, came home for their reunion. The three ladies are all related, but had not seen each other since graduation in June, 1929. The only missing member of the graduating class, Mrs. Carmel Brock Everett, also a cousin, died several years ago. The Staff hosted the alumnae at lunch in the cafeteria. They recalled that back in their school days everybody brought her lunch and they "spread it all together." In the Homecoming Parade they seemed happy to wave at curious onlookers, and yelled, "Things were fine in '29!"

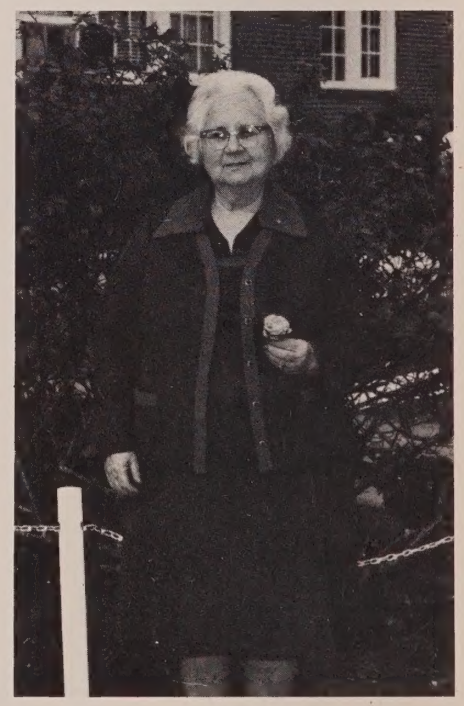
Mrs. Mary Jenkins



Mrs. Ethel McClellon

THE WAY WE ARE

I am my brother . . . and my brother is me. Within us all, beneath the layers of inhibitions that come with growing up . . . shielding our feelings against hurt . . . a love for fellow man does exist . . . perhaps only as an ember . . . but it can—and does—spark . . . glow . . . illuminate . . . drawing others in their need to us . . . pulling us to others in our wish for togetherness. In the fractured world of people . . . alienated . . . distrustful . . . unsure . . . hurt . . . LOVE IS. How else could we explain the moments of longing . . . the trembling within . . . the sad pang for something lost . . . and the sudden leap of the spirit for something found . . . the burst of joy when we look into another's eyes and see our common spirit?

It must be I am my brother . . . and my brother is me. For we are one and cannot separate common feelings . . . thoughts—dreams of life. We are life . . . and life is US! Life is people . . . not such things as buildings, cars, or Bar-B-Que . . . life is breathing, smiling, laughing, crying, singing . . . the anger, fear, joy, compassion . . . Life is the love that reaches out . . . building bridges across gulfs of uncertainty . . . to touch hands, hearts, souls . . . in the experience of TOGETHERNESS.

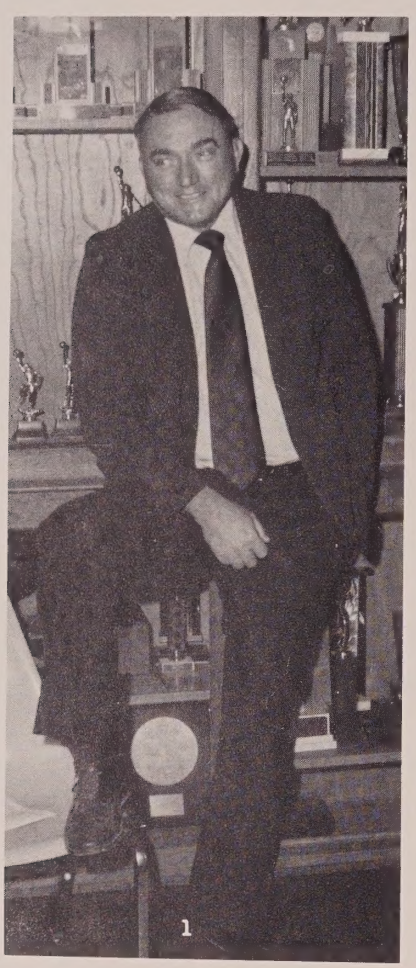
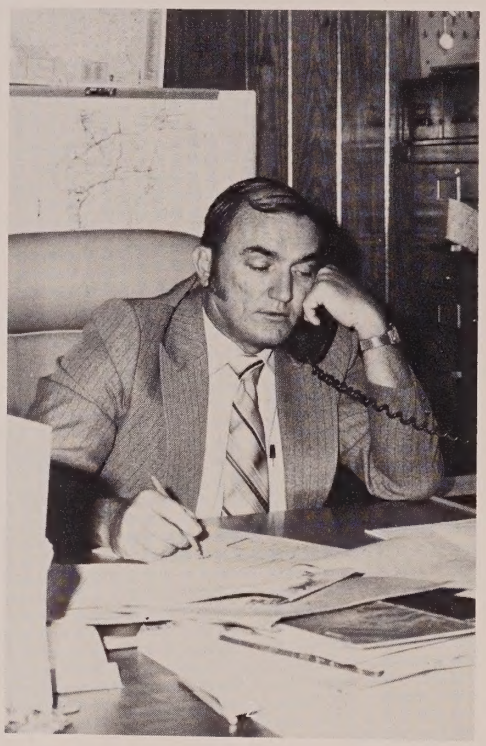
GOODBYE YELLOW BRICK ROAD

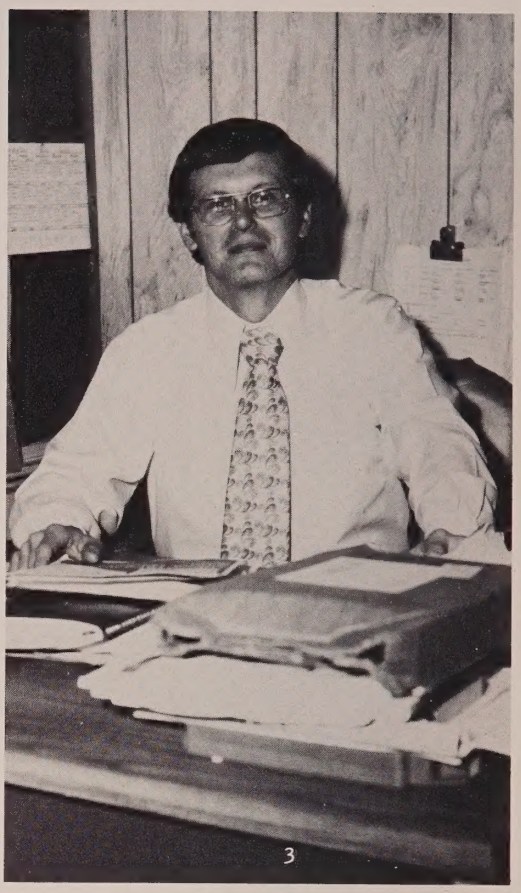
HELPERS

ADMINISTRATION

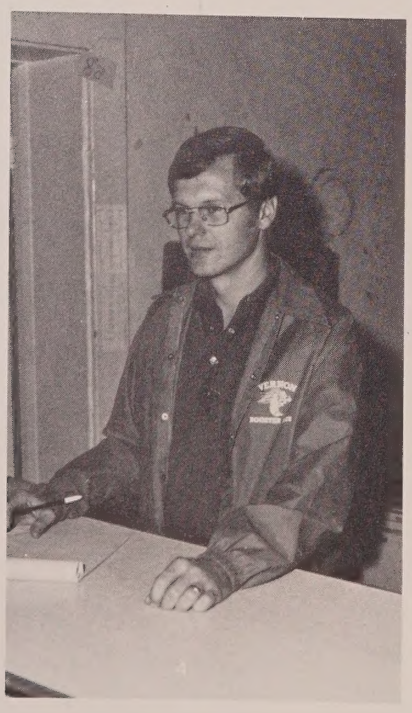
In his second year as principal, Jerry E. Tyre continued to show resourceful, flexible and yet decisive leadership at VHS. He attacked problems of curriculum and policy fearlessly, but always took time out to encourage the individual student, no matter how obscure he was. He was the ideal gentleman and scholar to engender "togetherness in a Golden year!"

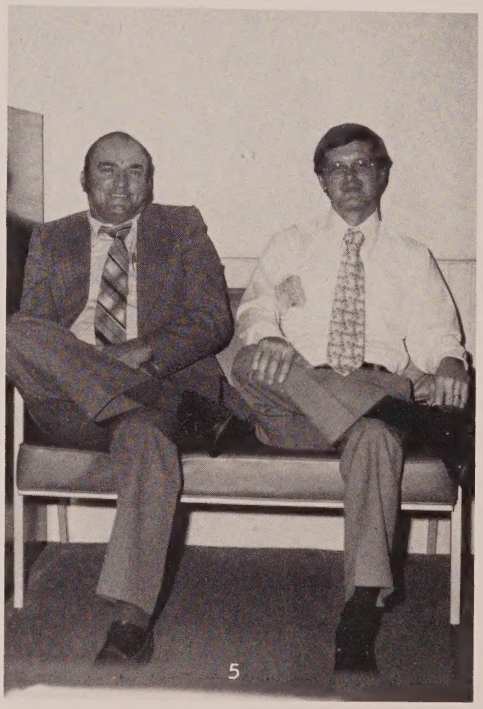


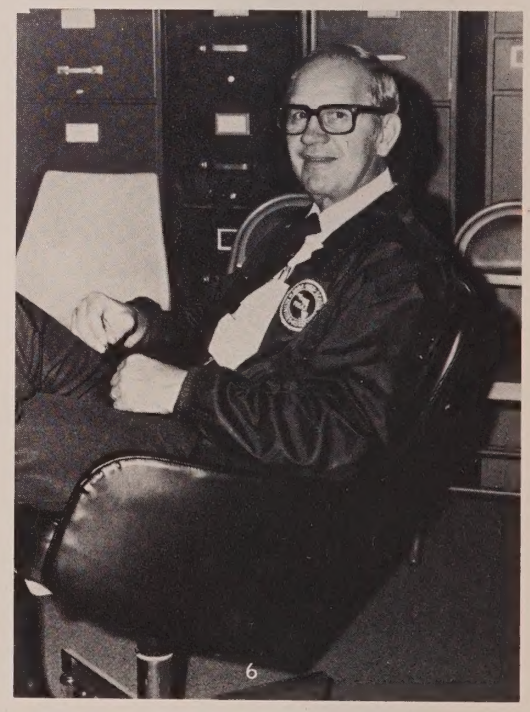




Assistant principal, Mike Welch has been a friend, teacher and disciplinarian to all students at VHS.







Pic (1) Mr. Tyre takes a brief break! (2) Normal conditions in his office. (3) Mr. Welch's new office. (4) That look of disbelief for a tardy student! (5) Mr. Tyre and Mr. Welch work "together"! (6) Mr. Herman Shaddix, our guidance counselor, deserves the break.

Perhaps the most "together" group at VHS was the Yearbook Staff. These students worked side by side to produce the thirty-first edition of the JACKET BUZZ. Together they scheduled pictures; together they met deadlines; and together they hoped that the people who look at this yearbook will enjoy it as much as they did and will realize the joy and the effort behind it.

TEAMWORK

VARSITY FOOTBALL

The Vernon Varsity Football Team celebrated the school's fiftieth anniversary and their own twenty-seventh birthday by winning seven out of their ten season games. With eight senior players they out-scored Bonifay, Graceville, Baker, Cottondale, Greenville, Quincy Munroe, and Chattahoochee. After this they were named District Champions for the first time ever. We then went to the State playoffs but were defeated by the Jay Royals 28-20. Even so, the 1978-1979 Varsity Jackets were the pride of Vernon High this year. We owe credit, also, to the new Head Coach, Jeff Webb. He led the Fighting Jackets through their winning season by stressing "Togetherness". The Team showed Togetherness and Teamwork in all their games this season.
